

# Architect designs numerous residential and commercial projects in Mandurah

**MANDURAH** architects, John Kannis and Associates, branch office was opened in Mandurah 1994 with the head office based in West Perth.

Since the opening they have designed and supervised a number of residential and commercial projects in Mandurah, including documenting the proposed Mandurah Towers and successfully negotiated and obtained planning approval.

In 1994 John Kannis was awarded the honoured position of being nominated the Officially Appointed Architect for the 'Australian Pensioners

League' who are present have over 120,000 members throughout Australia.

Since this nomination John Kannis and Associates have successfully documented and supervised the construction of over 150 aged persons units with ongoing work in the pipeline.
